## **SWIM LESSON INDEMNIFICATION AGREEMENT**

\_\_\_\_\_ (instructor a resident in good standing of Lost Plantation) is conducting swim lessons at the Lost Plantation HOA pool complex. This activity is not sponsored by the HOA and the HOA.

\_\_\_\_\_ is responsible for the conduct of my students (guests and children of neighborhood residents in good standing). The number of students participating in lessons is limited to a maximum of 5 children per class. Guests and non-escorted neighborhood children are required to leave the pool area when the instructor leaves the pool complex.

Lost Plantation Homeowners (and family members) not in good standing with the Association are not allowed to be lesson participants. The lists of homeowners with outstanding balances are posted at the pool. I understand: (1) the pool will not be closed to authorized users during lessons; and (2) my students must follow all pool rules.

**Lost Plantation HOA is not sponsoring this activity. All signing this document are agreeing to indemnify the Lost Plantation Homeowners' Association, Inc. from any liability due to a lawsuit, legal or civil action of any kind.**
