

I request the use of the pool complex, for a group of more than 10 people, on _____ at _____ o'clock until _____ o'clock. **I have attached a check for the \$250 refundable security deposit.** I assume responsibility for my guests. Guests are required to leave the pool area when the homeowner has left the pool complex. Lost Plantation Homeowners not in good standing with the Association are not allowed to be guests of other homeowners. The lists of homeowners with outstanding charges are posted at the pool.

I understand: (1) the pool will not be closed to other authorized users during the gathering; (2) my guests must follow all pool rules; and (3) **NO ALCOHOL is allowed at the pool complex.** Loud music (that can be heard outside the pool complex fence) is not allowed. After the gathering, I am responsible for cleaning the pool complex, including removing all trash, cleaning the grill (if used), and ensuring that restrooms are tidy. **ALL damage or theft that occurs during the party will be charged to me.** Repair, theft, or cleaning charges that exceed the security deposit are charged to the homeowner's account. The security deposit will be refunded by the Association within 14 days of the party date, less any applicable charges. **Charges applied to the homeowner's account are subject to the Associations' collection policy.**

By signing this document, I agree to all of its terms, and I indemnify Lost Plantation HOA from liability due to a lawsuit, legal or civil action of any kind.
